BAKER DESIGN GROUP REVEALS A WINNING DESIGN

THE CLEAR WINNER - Super Bowl weekend brought more than football stars to Dallas last week. Partnering with The Residences at The Ritz-Carlton to see to the comfort and immediate need of visiting Hollywood Stars and Notable Executives, Baker Design Group quickly responded with swift, impeccable and professional service.

Applying their unique design talent Baker Design Group created a complete and welcoming residence of unparalleled comfort defined by elegant furnishings and stunning accessories creating a warm and inviting backdrop for its weekend VIP's. The original artwork decorating the walls were contributions from Dallas area artists through La Montage Gallery, DFW's premiere art source. "We have a unique quality of design and the ability to react quickly to constantly changing issues people and businesses face in order to stay competitive today," said Linda Baker, Owner of Baker Design Group. "The needs of our clients are as important to us as the quality of workmanship we employ to transform their home or business."

The Stars and Executives were thrilled at the transformation of their minimally designed residence into a super retreat. Ms. Baker and the team of specialists at Baker Design Group combine their passionate approach to life with their remarkable design talent making them the clear winner for Super Bowl weekend. According to unnamed sources, the expert design services of Baker Design Group are sure to be requested again soon!
